GABLE

Classic and Traditional

Our Gable design features a taller wall with an A frame gable roof. With its side or end entrance, the Gable will fit in most locations and compliment your home's exterior. It comes standard with 8" enclosed overhangs and a 6/12 roof pitch. Customize with larger windows and you have created a perfect design for an art studio, craft room, office or game room.

Popular sizes: 8x12, 10x12, 10x16, 12x16, 12x24, 16x24
- other sizes available
Wall Height: 7'

GABLE XL

Extreme Overhead Storage

So, you prefer the overhead storage space of our barns but don't like the "barn" look? Then check out our Gable XL. Our Gable XL boasts the same features as our Gable model but the roof pitch has been increased to provide overhead storage space. Customize with different sidings, windows, paint and roofing materials to create a practical and aesthetically pleasing choice.

Popular sizes: 10x12, 10x16, 12x16, 12x24, 16x24
- Other sizes available
Wall Height: 7'

“NOT JUST A SHED ANYMORE!”

HOA friendly designs exclusive to Metro Portable Buildings.
Customizable to best fit your needs.

HIP ROOF

HOA Favorite

Our Hip Roof features a roof line that matches today's modern architecture and we can adjust the roof pitch for a perfect match! Standard features include an 8" overhang. When painted the same color scheme as your house, this building is sure to enhance your property.
