

GABLE

Our Gable design features a taller wall with an A-frame gable roof. With a side or end entrance, the Gable will fit in most locations and compliment your homes exterior. It comes standard with 8" enclosed overhangs and a 6/12 roof pitch.

Customize with larger windows and you have created a perfect design for an art studio, craft room, office, or game room.

GABLE XL

So, you prefer the overhead storage of our barns but don't like the "barn" look? Then check out our Gable XL. The Gable XL boasts the same features as our Gable model but the roof pitch has been increased to provide overhead storage space.

Customize with different siding, windows, paint, and roofing materials to create a practical and aesthetically pleasing choice.

ASPEN

Our Aspen design is both distinctive and practical in design. It boasts the same features as our Gable XL but we added a decorative dormer. The dormer provides an aesthetically visual exterior while allowing natural light into the building.

Turn your Aspen into a perfect Pool Cabana, She Shed, Man Cave, exercise room, or even a Cabin. It's not just a "shed" anymore!

SUPER MINI BARN

Super Mini Barns are on of our most versatile designs. This popular model makes an attractive functional workshop or an exceptional storage buildings. With taller walls than the Mini Barn, doors and windows can be placed in the end or side walls, allowing great flexibility in design. Large overhead lofts, shelves, workbenches, and garage doors, popular additions to this model.
