STYLES OF GABLES

SCAN HERE FOR
MORE DETAILS

GABLE

Classic & Traditional

Our Gable design features a taller wall with an A-frame gable roof. With its side or end entrance, the Gable will fit in most locations and compliment your homes exterior. It comes standard with 8" enclosed overhangs and a 6/12 roof pitch. Customize with larger windows and you have created a perfect design for an art studio, craft room, office, or game room.

Popular Sizes: 8x12, 10x12, 10x16, 12x16, 12x24, 16x24
other sizes available

Wall Height: 7'

SALT BOX

Attractive New England Design

Our Salt Box is a New England design that is perfect for a garden shed and provides plenty of storage space for your lawn and garden equipment. As an attractive alternative to our barn-style buildings, the Salt Box will compliment your beautiful landscape.

Popular Sizes: 8x12, 10x12, 10x16, 12x16, 12x24, 16x24 other sizes available

Wall Height: Front Wall Height 7',
Back Wall Height 5'

GABLE XL

Extreme Overhead Storage

So, you prefer the overhead storage space of our barns but don't like the "barn" look? Then check out our Gable XL. Our Gable XL boasts the same features as our Gable model but the roof pitch has been increased to provide overhead storage space. Customize with different sidings, windows, paint, and roofing materials to create a practical and aesthetically pleasing choice.

Popular Sizes: 10x12, 10x16, 12x16, 12x24, 16x24
other sizes available

Wall Height: 7'

ASPEN

Decorative Dormer

Our Aspen design is both distinctive and practical in design. It boasts the same features as our Gable XL but we added a decorative dormer. The dormer provides an aesthetically visual exterior while allowing natural light into the building. Customization can turn your Aspen into a perfect Pool Cabana, She Shed, Man Cave, Exercise Room, or even a Cabin. It's not just a "shed" anymore.

Popular Sizes: 10x12, 10x16, 12x16, 12x24, 16x24
other sizes available

Wall Height: 7'

STYLES OF BARN

MORE DETAILS

DOUBLE DECKER

Roomy and Flexible

The Double Decker features maximum storage space. With a staircase leading up to a full walk-around loft, the space is plentiful and accessible. A cabin, work shop, garage, extra room, or storage are all uses that make this design roomy and flexible.

Popular Sizes: 16x16, 16x20, 16x24, 20x20, 20x24, 20x32, 24x24, 24x36
other sizes available

BUNK HOUSE

Fantastic Hunting Cabin

What would happen if you put a porch on our Super Mini Barn? You have the Bunk House. A lake cabin, workshop, pool house, or an attractive storage building are all perfect uses for this design.

Popular Sizes: 10x16, 12x20, 12x24, 16x24, 16x36
other sizes available

Wall Height: 6' or 7'

SUPER MINI BARN

Versatile design

Super Mini Barns are one of our most versatile designs. This popular model makes an attractive functional workshop or an exceptional storage building. With taller walls than the Mini Barn, doors and windows can be placed in the end or side walls, allowing great flexibility in design. Large overhead lofts, workbenches, garage doors, and shelves are popular additions to this model.

Popular Sizes: 8x12, 10x12, 10x16, 10x20, 12x16, 12x24, 16x24, 16x32
other sizes available

Wall Height: 6' or 7'

MINI BARN

Economical and Efficient

Mini Barns are one of our most popular designs and provide excellent storage at an economical price. There is plenty of floor space for your lawn mower, bikes, etc. With an optional overhead loft, you'll have extra room for your Christmas decorations and camping gear.

Popular Sizes: 8x8, 8x10, 8x12, 10x12, 10x16, 10x20, 12x16, 12x20
other sizes available

Wall Height: 4'

STUDIO & LEAN TO

THE *Metro* DIFFERENCE

OUR COMPANY

Free Onsite Consultation

Not sure what design to choose, what size will fit in your yard or where to install your storage building? Call us. We can help!

Build on Site

Our builders will assemble your building on your property. No need to worry about a big truck fitting in your yard.

Delivery Service

If you have truck access (no fences, trees, wires in the way), we can deliver you a pre-built building.

Building Plans

Metro can draw plans and purchase building permits for you. We can also provide pictures and drawings for your HOA.

Job Insured

For your protection, all employees are covered by Workers Comp and Public Liability Insurance.

High Quality Standard

Our builders are trained Metro employees. We do not out-source to contract labor forces which helps maintain our high-quality construction standard.

OUR BUILDINGS

- Concrete block foundation every 4'
- Treated skids and treated floor joist on 16" centers
- 3/4" T&G Plywood Floors with staggered seams
- 16" centers on wall studs (24" on Mini Barns)
- Double top wall plates that intersect on most models
- Reinforced door jambs & keyed door locks
- Double window studs with header to support roof weight load
- Roof framing has a ridge board, gussets, and collar ties to keep your roof from sagging and your walls straight for years to come
- Enclosed overhangs with fascia and drip molding
- Felt paper & your choice of shingle type and color
- Many sidings to choose from
- Cedar Trim or LP Smart Trim
- Materials are APA approved

POPULAR BUILDING OPTIONS INCLUDE:

- Extra Doors
- Windows
- Door Windows
- Lofts
- Decorative Hinges
- Workbenches/Shelves
- Steel Doors
- Paint
- Garage Doors
- Porches/Decks
